

## Sizzling Summer Cookouts

On Wednesday, July 10th, the residents of Blaire House enjoyed their second cookout of the summer on the patio! Everyone who attended enjoyed some good old American cookout food. The menu included hot dogs, hamburgers, cheeseburgers, macaroni salad, coleslaw, and some delicious watermelon for dessert. The weather was nice, as it turned out to be mostly sunny with temperatures in the mid 80s.

The residents are looking forward to enjoying the rest of summer. There are additional cookouts planned, with the next one being August 7th. Our folks are also looking forward to the upcoming ice cream socials as well as our musical entertainment. Some of their favorite entertainers include Kalifornia Karl, Alexandria Bianco, and John Kelly, who just recently began singing at Blaire House. We look forward to more good times throughout the rest of the summer.

SUMMER 2019

## SUMMER FUN inside and outside

The residents at Blaire House of Milford are ready for summer! Our activities staff has taken the residents outside to the patio on several occasions to enjoy the beautiful weather. While outside, the residents have enjoyed reminiscing and singing along to some of their favorite songs. On Wednesday, June 12th, the residents enjoyed a wonderful program with Animal World. Matt the animal expert brought in a wide variety of animals for the residents to observe including a frog, snake, and a small marsupial creature that resembled a kangaroo.

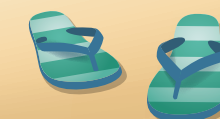

Sunday, June 16th was a day for the dads as we hosted an afternoon dessert social with some musical entertainment in honor of Father's Day. Wednesday, June 19th was the first of many cookouts for our residents this summer. With August right around the corner, everyone is looking forward to spending more time outdoors and hearing some of their favorite entertainers, including Kalifornia Karl Detken.

The residents shared a few laughs after the frog decided to stick on Matt's face.

Blaire House of Milford is proud to announce that we have received a **5-Star "Highest" Rating** from the Federal Centers for Medicare and Medicaid Services for overall performance and quality measures in Skilled Nursing care.
