SENIOR CARE NEWSLETTER

SPRING 2020

Animals, a Birthday Bash and a Bake Sale

Spring is right around the corner! However, before the spring comes, the residents have had plenty of enjoyable activities that will keep them going until the birds start chirping. The residents enjoyed recent visits with the reptiles from Animal World in the middle of January. Matt, who works with Animal World, brought in some incredible animals, including a large snake, an alligator snapping turtle, as well as a ferret. The residents recently enjoyed another bus outing. This time the crew from Blaire House of Milford ventured out to the Cracker Barrel in Wrentham for a nice lunch trip as well as shopping in the Country Store. A good time was had by all.

At the beginning of February, on the 5th, our Resident Council and activities staff hosted our first bake sale of 2020. The bake sale turned out to be a great success and they raised \$350 for our Resident Council! All in all the day was a success. With the money, the residents looked forward to another visit with the Barn Babies, as well as a pizza party held later on in the month. The pizza party coincided with some evening musical entertainment that was performed by our very own Kalifornia Karl. Everyone was extremely excited for this event.

On Saturday, February 8th, one of our residents, Bertha Shenk, celebrated her 100th birthday with family, friends, and fellow residents in our café. It was a joyous occasion, and it's not every day you get to see someone celebrate a 100th birthday.

During the second full week of February, all of the residents enjoyed another visit with the Barn Babies. This was their third visit since October. Our folks always look forward to the babies because they provide the ultimate pet therapy experience. At the end of the week, the residents attended a Valentine's Day social with music by Chuckie D. For a special dessert on Valentine's Day, the residents ate strawberry rhubarb pie. Toward the end of the month, we had our monthly birthday party, Ash Wednesday Service, as well as movie night where the residents saw *A Beautiful Day in the Neighborhood* starring Tom Hanks.

As we proceed forward from February to March, the residents will look forward to celebrating St. Patrick's Day. We will sing all our favorite Irish songs to go along with some musical entertainment with some of our very best, including Richie Bern, John Kelly, and Kalifornia Karl. There will also be another bus outing for the residents in March. Some residents are also looking forward to voting in the upcoming Presidential Primary elections.

As April approaches, the families and residents alike will look forward to Easter dinner, which will take place on April 5th, the Sunday before Easter. The kitchen will work hard as they always do to put on a great meal for everyone who comes. There will be musical entertainment with John Guido and our event will take place down in Day Care. There is a lot to be excited about as winter winds down and we spring forward.

Blaire House of Milford is proud to announce that we have received a **5-Star "Highest" Rating** from the Federal Centers for Medicare and Medicaid Services for overall performance and quality measures in Skilled Nursing care.
