 Dorothy Hainline (11/24)

**A Message from Kyle Romano,
 Executive Director**

Greetings to all at the Blaire House Community,

We look forward to a happy, safe, and healthy fall season. We are currently adhering to all CDC and social distancing guidelines. Resident health and safety is our main focal point going into the fall and winter seasons. We were fortunate that our residents were able to enjoy outdoor cookouts and a bus outing to get some of the fresh scents of fall in the air. We will continue to prioritize resident safety as we move forward in the season, and we wish well wishes to all of our wonderful families.

Best regards,

Kyle Romano, Executive Director

Resident Suzanne Wise eating at the cookout.

**A Message from Michael Croteau,
 Activities Director**

Greetings to all,

We have been able to accomplish a lot in the late summer and into the autumn despite all of the crazy restrictions surrounding the Coronavirus. We have enjoyed socially distant cookouts, a bus trip to Fairmount Fruit Farm, and some outdoor musical entertainment with John Kelly. We look forward to a safe, happy, and healthy remainder of the fall season and into the holiday season.

Yours truly,

Michael Croteau, Activities Director

Family Visitations

We are still continuing to schedule in-person family visitations seven days per week between the hours of 10:00-11:00 AM as well as 3:00 PM and 4:00 PM. The visitations are approximately 30 minutes. Everyone must wear a face covering at all times, as well as stay six feet apart at all times. The visitations are still currently being held in two designated outdoor locations, but will be transitioning into a designated indoor location. Once the visitations transition to indoors, we will also offer an evening visit one night per week from 7:00-8:00 PM. Please contact the Activities Department to book these family visitations.

Resident Carol McDevitt enjoying her time at Fairmount Fruit Farm.

Residents listening to another outdoor socially distant concert with John Kelly.
