

Goodbye, Daria

Daria Bourgerly, "Ace Activity Aide," will be leaving soon to continue her education and receive her Master's Degree in Speech Language Pathology at the University of Arizona, in Tucson.

She is scheduled to leave us on August 4th. We have been so blessed to have had Daria here with us on the Activity Staff for over a year. But alas, nothing last forever!

Daria has always been professional and caring with all residents, family members and fellow staff, pitching in where necessary as situations arise. Her work ethic is second to none. She is compassionate and has been a fun addition to the staff here at Blaire House of Milford.

Daria, it has been a pleasure to work with you and, no doubt, you will be missed! We wish you the best life has to offer.

SENIOR CARE NEWSLETTER

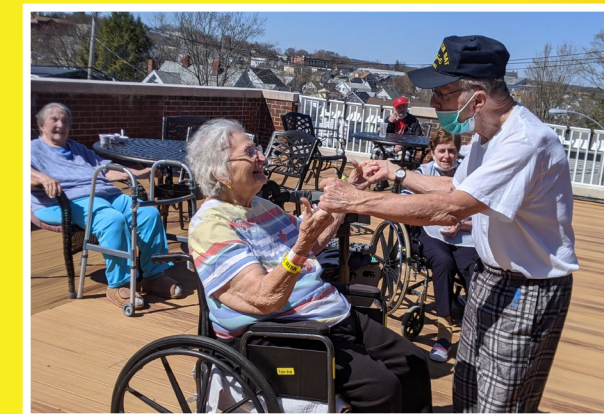

SUMMER 2021

There is something about summer that excites everyone from young to old! Summer is all about sunshine, tan lines, sunglasses, beaches, long nights, tall drinks, relaxation and if you're lucky, a summer vacation or two. And don't forget the sunscreen! (Who knew that smelling like a banana or a coconut would put us in such a good state of mind?)

We have been utilizing our patio once again! It has been so wonderful for all our residents who have been cooped up to be able to be outdoors for sun, fresh air and fun activities!

OK, I admit in our haste to "get out there" we had a couple of days when bingo cards were difficult to keep on the tables, but the air and sunshine was delightful!

We are looking forward to all that summer can offer for our residents! Cookouts, ice cream socials every Friday on the patio, and finally after a year and a half we have been able to enjoy our first outside entertainment.
