SENIOR CARE NEWSLETTER

AUTUMN 2018

What are the Dog Days of Summer without ice cream? We celebrated with a Build Your Own Sundae Fun Day in July. There were plenty of smiles to go around in choosing the flavor of ice cream or sherbert and which toppings to put on it. That was no easy task with ten choices of toppings to mix and match, all served in a waffle cone bowl! It was truly a Fun Day for all, everyone together laughing and enjoying a treat together on a hot summer afternoon.

Many of our summer afternoons were also spent enjoying time together on the patio. Whether we were eating, singing, reminiscing, or playing games, the summer was not wasted on the residents of Blaire House Assisted Living. Everyone here enjoyed plenty of outdoor time filled with good company, laughter and fun!

We look forward to many more gatherings full of laughter, fun, and song as the summer winds down and fall approaches.
