

In The Spotlight

Theresa Bourque

Theresa was chosen to be In the Spotlight this month. She has been coming to Blaire House only since September, but is a welcome addition. Born in New Brunswick, Canada, she came to the US after college in search of a job. Here she met

her husband (in church) and raised two beautiful children. She has bragging rights for four wonderful grandchildren. Theresa is one of eight children, all of whom are in Canada. She is able to Skype with them regularly. Pat makes her home in Wilmington with her daughter (and a new puppy!) Theresa, it is a pleasure knowing you and having you in our Blaire House clan!

Fall at Blaire House Adult Day Health was a bustle with many fun activities including a Luau and Beach Party along with a Halloween Party. In November we teamed up with the Blaire House campus to collect food for Thanksgiving meals to distribute to those in need in the community. Thank you to all those who contributed. We were able to collect enough to provide a complete meal to five families! What a wonderful feeling. Thank you to Blaire House for donating the turkeys! We are all looking forward to the holiday season. The atmosphere is festive, filled with holiday music and sing-a-longs. Happy Holidays to all!!
