LOVE WEEK

Love Week is celebrated in recognition of Valentine's Day. Valentine's Day is one of America's most popular days of the year. According to an article by history.com, more than 62% of Americans will celebrate this day by sending cards, flowers, buying jewelry or going out for a romantic dinner.

Blaire House of Worcester began preparing for Love Week by making Valentine cards with Diane Strzelecki (Art Teacher) that they will share with other residents during Love Week festivities.

BLAIRE HOUSE GARDEN CLUB

Spring is near and soon the residents here at Blaire House will be putting on their gloves and rolling up their sleeves to begin planting and cultivating garden vegetables. Our residents will enjoy starting the seedlings, putting them in the ground and caring for various plants throughout the summer until harvest. We have been very successful with planting and harvesting cucumbers, dill, cabbage and even strawberries.
