Our mission here at Blaire House of Worcester is to provide the utmost care and respect to our residents in a safe and supportive homelike environment. ## STRAWBERRIES

What I did not know about strawberries was that they are “perennials that can be productive for four or five years.” These plants, according to Kristi Waterworth (author), can grow indefinitely. The residents at Blaire House of Worcester planted the strawberry bush seen in the picture (left) at the end of May 2019.

## A MESSAGE FROM THE ACTIVITIES DIRECTOR: CHARLEEN FORBES

*Hello everyone,*

A fall quote states, “Autumn shows us how beautiful it is to let things go.” (<https://www.goodhousekeeping.com/holidays/halloween-ideas/g1249/fall-quotes/>). I concur, and will gladly let things go. Fall is amongst us. Let's enjoy the beauty that autumn brings and look ahead. I hope that all is well for the family and friends of those that reside here at Blaire House of Worcester. Have a wonderful fall! Your ideas and input are always welcome. If you have any questions, please call and ask to speak with Charleen Forbes the Activities Director.

*Thank you,*

*Charleen Forbes, ADPC*
