

A Message from the Executive Director: Tem Shodunke

Dear Residents, Families and Friends,

I would like to introduce some new players to our team. Aaron Bonin, RN is our new Director of Nursing. His experience includes being in the LTC field for over 25 years and 15 years as a Director of Nursing. Tangner Abudula, RN is our new Assistant Director of Nursing. Her experience includes 10 years clinical experience working in Med-surg, Rehab, LTC, and Mental Health fields. Our new Director of Social Services is Kerry Mello. She has obtained her Masters Degree from Bridgewater State University and has 18 years experience. If there is anything that we can do for you or your loved one, please don't hesitate to ask. Please stop by and say hi.

With the warmer weather approaching, this is a great time to assist your loved one with a spring cleaning of his or her clothes. There are plenty of outside resources such as Goodwill or donation bins located in the area if there is anything that is no longer being worn.

Best regards,
Tem Shodunke

A Message from the Activities Director: Louise Rodrigues

Spring is coming, thus the nice weather will be here soon! Once again, remember to pick up an activity calendar from the Lobby for holiday gatherings and special events, which include Love Week and Nursing Home Week. We also have some NEW themed programs this year. Each unit has its own specific calendar, so be sure to pick up the correct one.

Looking forward to seeing you,
Louise Rodrigues

A Message from Social Services

Dear Families,

Family Council meetings are held once a month. The upcoming meetings will be held on March 24th, April 28th, and May 26th, all at 4:00 PM in the Conference Room. The purpose of the Family Council meeting is to address the GROUP concerns of family members directly related to improving the quality of life for residents in the facility. Our Family Council Meeting offers families an opportunity to meet and share with other families.

SENIOR CARE NEWSLETTER

SPRING 2020

Brandon Woods of Dartmouth Skilled Nursing and Rehab Center had a surprise, to say the least: a special visit by the one and only Elvis! He came to celebrate his January birthday with our residents' birthdays, along with peers, guests, and staff. He swooned the ladies and impressed the men in his dazzling attire and with his suave voice. Entertainer Mike Slater made his entrance looking and sounding like the heartthrob, covering all of Elvis' greatest hits. What a birthday to remember! Pictured starstruck is resident Mary Tavares with her favorite celebrity.

"Spring work is going on with joyful enthusiasm."
