

A Message from the Executive Director:

Dear Residents, Families and Friends,

I would like to take this opportunity to introduce myself to you. My name is Michele Clark and I am the new Executive Director of Brandon Woods of Dartmouth. I have worked in skilled nursing facilities for over 27 years. My background is in Social Work, but several years ago I decided to become a licensed administrator. I loved my role as a facility social worker, but felt I could make a larger impact as an Administrator. I'm looking forward to meeting all of you. Please don't hesitate to call or e-mail me with any questions or concerns.

Sincerely,

Michele Clark, LNHA

A Message from the Activities Director: Dawn Euzebio

Hello residents, families and staff,

Spring is on the horizon! Warmer weather is heading our way. Flowers are blooming and hopefully some outdoor time will be happening very soon.

We are still enjoying monthly dine-ins from local eateries. Also, the hairdresser has returned. She will be in the building weekly providing socially distant hair services to both men and women while following the state guidelines and policies set forth by Brandon Woods. Funds for dine-ins and payment for hairdresser services come out of the residents' personal needs accounts or are paid by cash. Please ensure that your loved one has a personal needs account or has cash to pay for services. If you would like more information on setting up a personal needs account, you can give us a call Monday through Friday and we will get you in touch with the business office.

Our residents are eating in the main dining room and enjoying monthly resident council meetings again! Residents can now also have socially distant group activities with some limitations. They are looking forward to spring, spring parties, crafts, and springtime games.

As always, we will continue to keep our families, staff and residents informed of any new changes in policy as they may arise. Thank you all for your continuing support.

Sincerely,

Dawn Euzebio
