Hi everyone!

I am very excited to be joining West Side House as the new administrator. During my first month, I have truly enjoyed meeting all of the residents and staff. It is my mission to make sure that all residents thrive in a positive, welcoming, and safe environment. As winter approaches, I look forward to working closely with our residents and staff!

Sincerely,

SCHEDULED EVENTS & ENTERTAINMENT

For the month of October, events revolved around autumn-themed activities, the changing of the seasons, and most notably, fun. Rock-and-roll musical entertainer Howard Newman covered some classic hits on October 22nd. The residents reminisced about old times and created new memories. We also had a Halloween party on the 29th, which included a DIY costume contest. We were excited to see the creativity of the residents!

Pumpkin painting, leaf wreaths, and tie-dying took place, as well as an Oktoberfest luncheon. Any suggestions for activities are greatly appreciated.
