GREEN HILL PARK

On Wednesday July 11th, the residents visited the petting zoo at Green Hill Park. The park is registered with the National Registry of Historical Places. The Green family once owned Green Hill Park. The City of Worcester took ownership of the land in 1905.

Displays of summer produce from the garden.

The Blaire House Garden Club members are proud to announce that once again they have had great success with their cucumber garden this summer. The cucumber garden has produced about twenty cucumbers and continues to produce. A new vegetable was planted this year: green beans. The green beans have also grown successfully in the garden.

“Autumn is a second spring where every leaf is a flower.”
